

COVID-19 STATEMENT
April 9, 2020

Dear Valued Frisella Customers,

It's time to bring joy and beauty of springtime and rebirth to our community! We are going to open our doors to the public again on Friday, April 10, 2020, and resume our normal business hours of 9am-5pm Monday-Saturday and 10am-4pm on Sundays. (Except Memorial Day).

We all understand the importance of good hygiene, social distancing and wearing facemasks, and our team takes all of it very seriously. In addition, we will be making the following changes, not only to increase safety, but peace of mind.

1. We will be limiting the number of people inside the store.
2. We are continuing to and will increase cleaning and sanitizing.
3. We have a register outside for guests' convenience.

The Frisella Nursery grounds is 30-acres and a great way to get outside to enjoy what the season has to offer and a bit of fresh air. Our goal is to get people what they love to do: garden. Safety is our biggest concern, that of our customers and staff. During this time, we hope everyone stays safe and stress-free.

Thank you for your loyalty and support.

Your Friends at Frisella
