

## Planning Your Garden Center Visit

Choosing the right plants can be overwhelming so we've created a questionnaire to help you gather your plant thoughts, wants and needs. You can print, fill it out and bring it with you to your garden center visit so that you don't forget any details and will help us assist you in the best way.

Make a rough sketch of your outdoor space in the area below. Include garden beds, retaining walls, existing trees & plants, where your home is located, any hills or slopes, and the direction your home faces.

A large, empty rectangular box with a thin black border, intended for the user to draw a rough sketch of their outdoor space.

Continue with answering the questions on the next page...

## Planning Your Garden Center Visit

How much sunlight does the area you are wanting to plant get in the morning & afternoon?

What is the drainage in the area you want to plant like? Does the area collect standing water or does it drain well?

What is the soil composition like?

Do you want a tree/plant that grows fast, moderate or slow?

Do you want a tree that is flowering or non-flowering?

Do you want a tree is [low, moderate or high] maintenance?

Do you want a tree has a [fast, moderate or slow] growth rate?

What mature size are you looking for?

Seasonal colors?

Special uses (i.e. shade, privacy, etc):

Am I going to plant the tree myself or am I interested in Frisella Nursery's tree delivery & installation services?
